Justice Information Technology Integration Implementation Project

NORTH DAKOTA

Award To: State of North Dakota

Amount: \$310,000*

PURPOSE:

The State of North Dakota will use the funds to outline the information sharing needs of its criminal justice agencies and to design a system that accommodates those needs. This project entails the development of data standards to create a standardized format to aid information sharing. In outlining its needs, the state will also identify a number of high priority projects in its criminal justice information sharing system.
